1 How to Register User

Step 1 Click login in navigation bar and login form opens

A login form with a blue header and a white body. The header contains the word "Login" in white. The body contains a "Username" label, a text input field with the placeholder "Enter your Username", a "Password" label, a text input field with the placeholder "Enter your Password", a checkbox labeled "Remember me", a "Login" button, and two links: "Register here" and "Forget Password".

Step 2 : click on Register here to open Register form and register with valid data

The registration form is titled "Registration" in white text on a blue background. It contains several input fields with labels: "First Name", "Last Name", "Username", "Password", "Confirm Password", "Your Phone number", "Address", and "Your Email". Each field has a small icon on the left (a square for names, an '@' for username, and a phone icon for the phone number). The "Address" field has a dropdown menu currently showing "Nepal". At the bottom is a "Register" button.

7 How to use Pet service

7.1 How to Register Pet

Click pet service on menu bar and pet registration form will appear

A screenshot of a web form titled "Pet Registration" with a blue header. The form is white and contains three input fields, each with a small blue square icon on the left. The first field is labeled "Name" and contains the text "lucy". The second field is labeled "Breed" and contains the text "labrador", which is highlighted in yellow. The third field is labeled "Color" and contains the text "white". Below these fields is a large grey button labeled "Register". At the bottom of the form, there is a link that says "Service booking for Your Pet" in blue text.

Friendly Pets

Pets are our best friend, they gives us company, they never betray us.

How dangerous are they

They are not dangerous if we love and care them, sometime they may be aggressive.

Keep them healthy

Good food with regular diet plan makes them healthy.

Love, love, love, pets

As we love them, they are always loyal to us. So we should care them
